BIRD PLAYER PIECES

1. Cut out each piece on the dashed line. **2.** Fold on the two dotted lines. **3.** Bring the ends together into a triangle and tape the striped tab inside. Now your bird stands up! Pick one bird each (2–4 players).

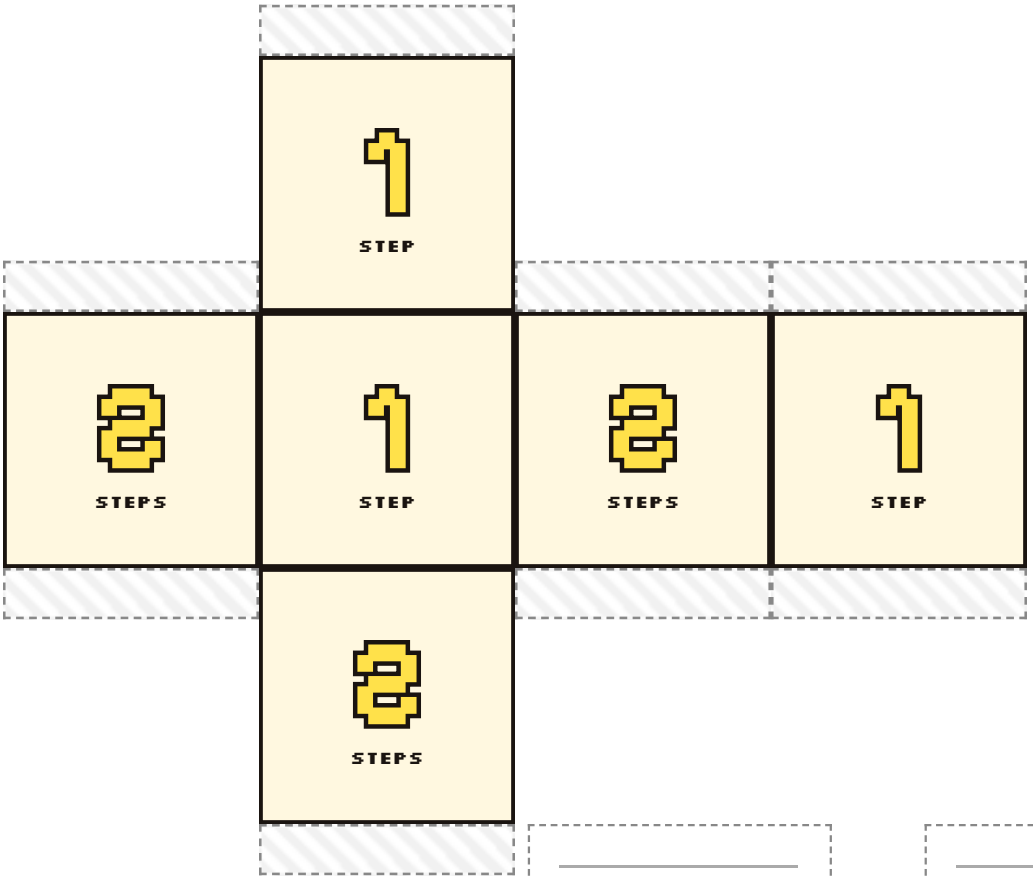
BIRD DIE

No coin? Use this die instead: it has **1** and **2**, just like the coin (tails = 1, heads = 2). Cut on the outside line, fold every edge, and tape the striped flaps inside to make a cube. Thick paper works best!



DRAW YOUR OWN BIRD

Pick any bird from the book, draw it in both circles and write its name. Fold it just like the pieces on page 1.
